

Bouchard Finlayson is a family- owned boutique vineyard and at the heart of the estate is The Homestead, the residence of the Tollman family. Since the vineyard joined the family collection in 2000, it has been nurtured by this global family and by the dedicated team that handcrafts wines to perfection, both constantly in pursuit of excellence. It is an estate synonymous with world-class premium international wines.

The vineyard is led by Peter Finlayson, the first winemaker in the valley and the pioneer of Pinot Noir in the area. This winery combines the best of the old ways and classic French winemaking techniques, with the creativity and innovation of the new world. The vineyard is hidden in Hemel-en-Aarde Valley (where Heaven meets Earth) at the Southern tip of Africa. The wines are sought-after Burgundian-inspired Pinot Noirs and Chardonnays, they promise elegance and flavour that will surprise and delight. As one of our sister properties, Bouchard allows us to offer you some of the finest wines in the Southern Hemisphere.
